## PROJECT MATERIAL PLANNER

*Project material planner is responsible for ensuring delivery of all parts to kit date of the project.*

*The main objective of this position is to be part of a customer focus team (CFT) and be the link between procurement team and CFT team. This is to make sure all information and goals are communicated, create solutions and to ensure on time delivery to our customers.*

### Job description

- Manage sourcing of LLP (life limited parts) and critical parts
- Manage swaps and exchanges at target time and cost parameters
- Participate in all efforts to drive project turnaround time and profitability
- Communicate milestones to team members
- Evaluate projects to find improvements
- Perform work in compliance with all applicable regulations and requirements, attend quality and ehs related training, and at all-time comply with the company quality policy.

### Qualifications

- 3-5 years' experience in relevant planning work
- Bachelor degree (Economy or Engineering, preferably with Supply Chain management)
- Experience in aero engine field
- Excellent communication and teamwork skills
- Strong knowledge of material planning
- Good understanding of ERP systems
- Excellent Norwegian and English skills

### Abilities

- Business insight
- Strong leadership skills referring to taking initiatives, managing project & teams
- Being flexible and adaptable
- Customer focus
- Continuous improvement
- Drive for results
- Financial understanding
- Analytic thinking
- Forward thinking

### We can offer:

- The opportunity to learn and develop your career in an exciting industry.
- You will feel fully involved in the day to day operations of the business and will be able to influence the continued success and growth of a rapidly growing organization.
- Whilst we all work very hard, we have a culture that's relaxed and down-to-earth, positive and professional.
- A proactive approach to constantly improving processes to ensure a rewarding working day and a good work life balance.

Starting date: As soon as possible

Working hours: At 08.00 to 16.00. Monday to Friday.
