Aero Norway AS - EU / Canada Agreement - Approval of TCCA Supplement

Dear Sir or Madam,

1. Considering the maintenance procedures covered by Annex C to the Agreement between European Union (EU) and Canada on Civil Aviation Safety and MAG (Maintenance Annex Guidance), this is to inform you that Aero Norway AS TCCA Supplement revision 03, dated 01/07/2022 is hereby approved by NAA-Norway.

2. The TCCA CAR 573 approval reference is:

Aero Norway AS
TCCA CAR 573 Approval Reference number: 815-12
Valid until: Running

3. This supplement approval allows performing maintenance services on Canadian registered aeronautical products subject to compliance with EASA Part-145 requirements and the specific regulatory requirements as detailed in the Agreement Annex C Appendix C2 and the Maintenance Annex Guidance (MAG).

4. Please be reminded that TCCA scope of ratings and limitations must not exceed the ones specified in your Part 145 approval certificate.

5. You are reminded that you will be required to submit your next application for renewal 60 days prior your continuation date in accordance with MAG Section C which is available on the EASA web site at:
